

1226 Effingham

Dear Irwin Industries: Oct. 22/09

Thanks for doing such a great job on the siding of our house at 1226 Effingham St. Our family & neighbours are all very pleased with the result. We will certainly recommend your company to anyone who needs siding. Enclosed is a cheque for the balance owing.

There's one tiny problem, which is that our doorbell got wrecked accidentally in the process. Is that fixable?

Thanks again,
Sherry & Chris
