Irwin Industries Ltd.
327 Harbour Road
Victoria, B. C. V9A 3S2

Attention Mr. Ron Bilodeau,

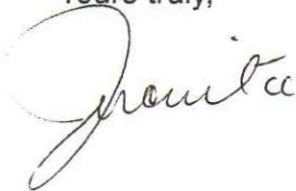

I wish to let you know how pleased I am with my new red steel roof. I am also most impressed with the quality of work done by Marty and Danny.

To quote my neighbour..." they are so respectful of the property and material they deal with".

They are great ambassadors for your company so I hope they are well paid for the hard work they do on behalf of Irwin Industries.

Thank you.

Yours truly,
